## CAMP BLUEBIRD FOR ADULT CANCER PATIENTS

Named for the bluebird houses that we craft during the three-day, two-night retreat, Camp Bluebird provides adult cancer patients with education, support, and encouragement in living life after a cancer diagnosis. It also provides our Campers with a "family" of those on a similar journey to provide lasting friendship and support. We are always in need of volunteers for the weekend to help us with logistics, accompanying our Campers, and many other various "jobs". Our next camp is **April 19-21**.
